MEMBER OFFERS

According to the selected doctor, all available hospitals are displayed. User can select desired hospital. Then user is redirected to another page.

According to the availability, user can place an appointment. After that user is redirected to the payment page.

Here user can fill required details and pay the bill.

The screenshot shows a web application for eChannelling.com. The main content area is titled 'Welcome to eChannelling' and 'Your Details'. It contains several input fields for patient information, including Title, Patient Name, Mobile Number, Email, Area, and NIC Number. There are also sections for Patient Details, Promotion Code, and Payment Details. The Payment Details section shows a breakdown of fees: Doctor Fee (Rs:3000.00), Hospital Fee (Rs:1000.00), eChannelling Fee (Rs:275.00), Discount (-Rs:0.00), and No Show Fee (Rs:0.00), totaling Rs:4275.00. A 'Pay' button is visible at the bottom right. The background features a decorative pattern of circles and lines.
